Dedicatee nominations were selected in a different manner this year.

The Publications class considered every person and organization who had contributed his or her time and effort to the school and community. The nominations consisted of approximately 90 names who were researched by each Publications member. Only the positive points were researched, and each nominee's list grew. Finally the nominees were reduced to twenty-five names, and the research was given as formal speeches. These twenty-five were then narrowed to fourteen finalists, and the honored position was voted upon in secret ballot.

It was a difficult task for the Publications class, and we are proud of this year's finalists and honored dedicatees.

The first dedicatee has accomplished much for the school. Closely involved with the sports program, they have purchased trophies and awards for athletics, sponsored Bloomington's track invitational, contributed funds toward the purchase of batting cages, and baseball pitching machine, filming football, honoring athletes during the special awards dessert socials, as well as contributing scholarships. Without this group of outstanding people there would be little support for a sport program at BHS.

Our second dedicatee has also contributed services to the athletic department, school, and community.

This person began the first Water Safety Aid Program when teaching at Bloomington Junior High, and started the first adult baseball and basketball program within the community and the first after-school basketball program for children in the community.

As teacher, this person has been coach for baseball, basketball and football, taught English, Physical Education, and is currently Activities Director. Such duties include involvement with the ASB council, and revamping ASB election and budget.

This person is a member of the Lions Club basketball team, and served as the first Vice-President of CTA, and past PTA officer.

We dedicate the 1974 BRUIN to you Don Manzo, and Bruin Fan Club.

LYNDELL BARTOLOMEI

The Seniors' participation during Homecoming activities overwhelmingly displayed their superiority by winning the bat race, three-legged race, and class yell competition at the pep assembly. The highlight of "Bruin Magic" evening was the crowning of Becky Sowell 1974 Homecoming Queen and Penny Pruden Senior Princess. Although the Seniors didn't place in the float competition, many hours and much hard work were put into the construction of the float, "Bruin Magic Is Flying High to Victory."

Candi Reigns Over Girls' League Dance

"Mystical Moods of Love" was the theme of the Girls' League dance held in the cafeteria of the school. The music was provided by "This Side Up," a local rock band. Senior Candi Ritter was selected as Girls' League queen. Her glowing smile vibrated throughout the room as she was seated upon the throne for the remainder of the evening. Candi, FFA representative, was chosen from twelve girls nominated by various organizations competing for the title.

Just for today I will live through the next 12 hours and not tackle my whole life problems at once.
Just for today I will improve my mind. I will learn something useful. I will read something that requires effort, thought, and concentration.
Just for today I will be agreeable. I will look my best, speak in a well-modulated voice, be courteous and considerate.
Just for today I will not find fault with friend, relative or colleague, I will not try to change or improve anyone but myself.
Just for today I will have a program. I might not follow it exactly, but I will have it. I will save myself from two enemies—hurry and indecision.

Underclass Students Groovin' On a . . . Tuesday

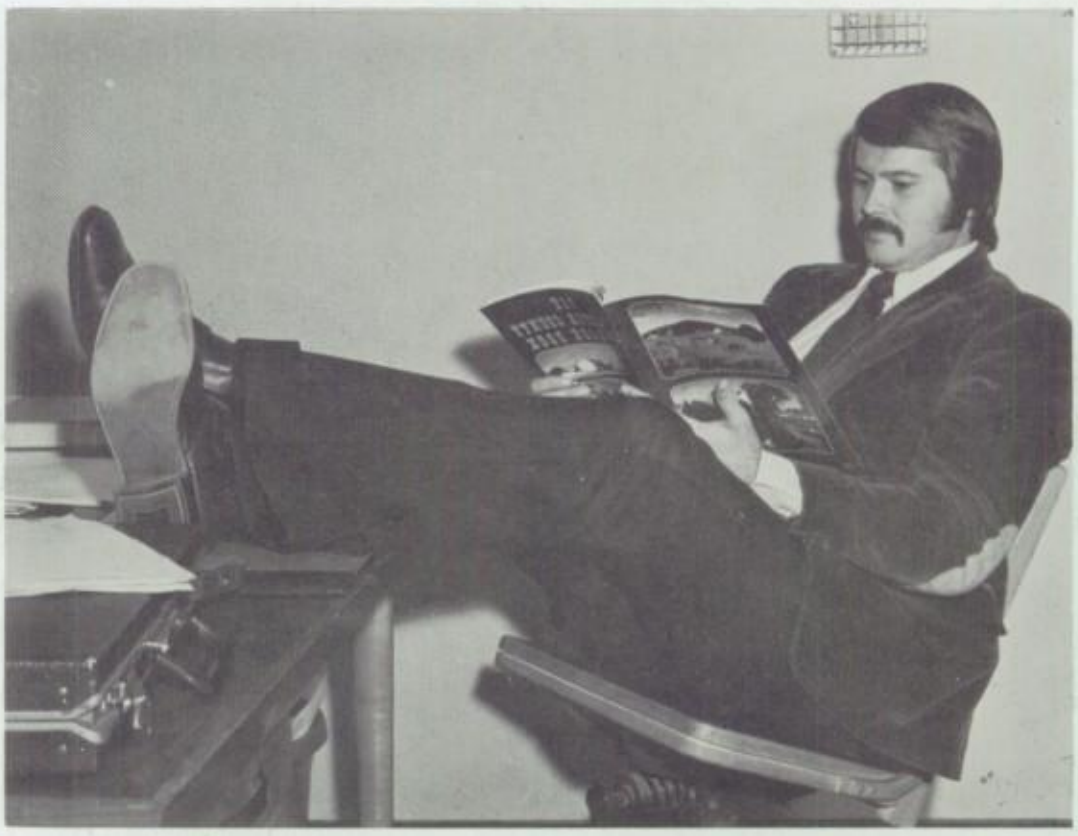
Homecoming
Theme

Juniors Rah! Rah!

The Junior Class Council involved themselves in many activities this year. They had bake sales, car washes, in order to raise money for the biggest fund of all—the Junior-Senior Prom.

They had a lot of help from class adviser Mr. Kowalski, Mrs. Amstader, and Mr. Iddings.

The Class Council consists of President, Richard Castro; Vice-President, Steve Iddings; Secretary, Robin Stevens; Treasurer, Debbie Mermilliod; Program Chairman, Steve Letterly. The Boys' Forum Representatives are Dan Rodriquez and Randy Zacharias. The Girls' League Representatives are Jamie Baldino and Brenda Gasche. Senators are Debbie Haskins, Carolyn Osenga, and Bruce Harjehausen.



Roger Kowalski, Junior Class adviser, passes his time by gracefully relaxing.

Class Council huddled together for a lengthy discussion at a meeting are Richard Castro, Brenda Gasche, Carolyn Osenga, Steve Letterly, Debi Haskins, sitting. Standing: Steve Iddings, Bruce Harjehausen, Robin Stevens, Daniel Rodriquez, Debbie Mermilliod, and Jamie Baldino.

Princess Paula

Homecoming this year for the Class of 1975 was very exciting. After the announcement of the theme "Bruin Magic," we had to design a float.

For weeks it was work planning, scheduling and just hard labor building our float that was titled "Bruin Magic Makes Heads Turn." Junior Princess Paula Sowell, smiling and waving while riding around the field in a little sports car, added extra glamour to the Junior Class. At the end of the ceremonies it was announced that the float of the Class of '75 walked off with third place.

Sophies Make the Grade: Involving Their

Sophomore Class Officers: from left to right, Wanda Roeseler, Ken Alvarez, Paula Pruden, Tom Holod, Sherry Johnson, Carrie Farned, Pierre Ingersoll, Cathy Baca, DeAnn Bomar, and Tony Ireland.

1974 has been a great year for the Sophomore class! They participated exceptionally well in track, placed fourth on their Homecoming float, titled "Bruins on Cloud Nine," plus displaying a tremendous amount of spirit at the pep assemblies. With everyone working together, they can prove that '76 will be an outstanding class.

This year's Sophomore class President is Pierre Ingersoll, who did an excellent job in managing the Sophomore class. Following as Vice-President is Cathy Baca; Secretary, Carrie Farned; Treasurer, Sherry Johnson; Program Chairman, Tony Ireland; Boys' Forum, Tom Holod; Girls' League, Wanda Roeseler; Senators Ken Alvarez, DeAnn Bomar and Paula Pruden.

Phillip Garcia shows his talents by helping the Drama Club set up for their fall play "Trouble Starts with a W."

Ronnie Muro, guard for the JV, dribbles past a Hemet opponent to score for a two-point lead.

Frosh Take a First With "Bruin

Magical rites during "Bruin Magic" didn't work for the Frosh football team during Homecoming Week when they played Coffman Junior High School and were defeated 22-18. A close game by any means.

Career Guidance Center is in its second year and students are taking advantage of center's programs and advice from counselor Mr. Beckwith and assistant Ms. Griffin.

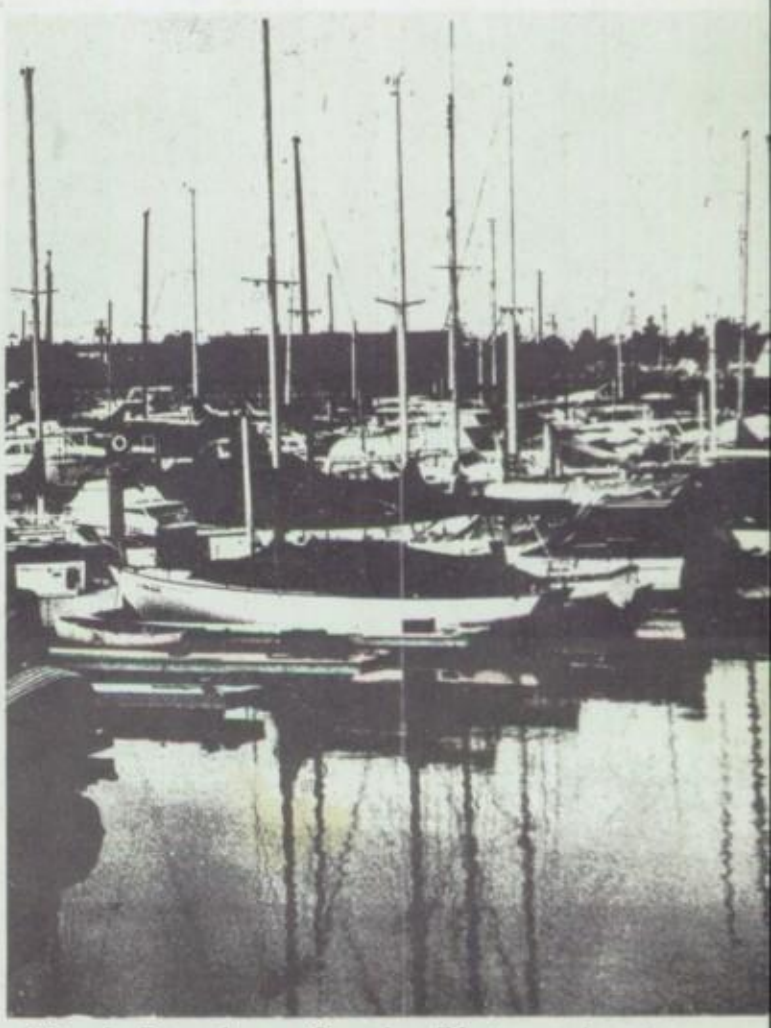
Art students Jackie Medina and Clara Quezada build a box out of slab construction in ceramics.

"Doors are open for me . . . . . I just never knew other things exist. Maybe I'll find what I'm looking for."

Larry Hensly and Wes Schumard set up the new Kowa portraiture camera during Vocation Photography.

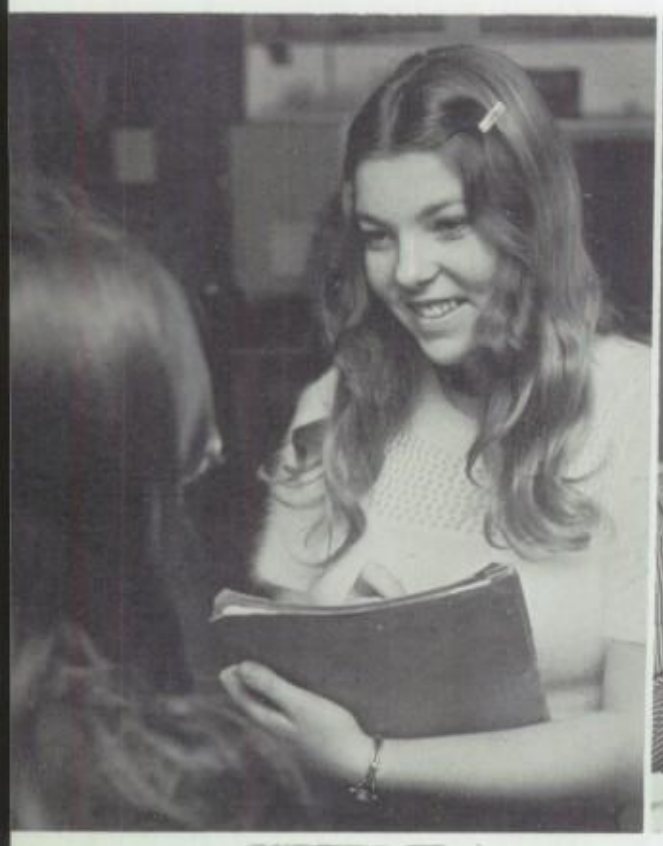
Creativity is defined by Webster's Dictionary as "1: Having the power or quality of creating; 2: Productive." Bearing this in mind one looks upon the talented students of Fine Arts as true creators . . . . .

Mr. Myers gives pointers to first semester Photo Journalism class. They aided the Annual staff with photos for the yearbook.



Wanda Roeseler, a Creative Photography student, prints for special effects a high-contrast photo of sailboats at Long Beach.

The Bruin Press



Second semester editor of the BRUIN PRESS, Wanda Roeseler, researches a news story by interviewing one of many students for a survey poll.

After discussing the first draft of her news story with Ms. Knight, BRUIN PRESS adviser, Wanda heads back to the typewriter to polish up her story.

After getting many viewpoints, Wanda begins typing her story together.

First semester Journalism class are first row (l-r): Stanley Byrant, Sharon Reid, Linda Pancoast, Lynda Collins, Don Jacobs. Second row: Kathy Tryon, Kathy Zak, Janet Mitchell, Sue Conley, Denise Marchman, Sheri Martin, Christine Lopez, Editor, Lois Huneycutt, Diane Tilton, LeeAnn Squire, Wanda Roeseler, Trudy Knapp. Third row: Nancy Swick, Lori Luther, Steve Letterly, Mark Washburn, Kevin Cooper, Don Martin, Bob Zurcher, Larry Smith, Kathy Lehr, Russell Gonzales.

On the far right page are second semester Journalism class. First row (l-r): Steve Estus, Jenny Kushner, Sherri Cook, Kathy Medlock, Editor—Wanda Roeseler, Pam Bailey, Yvette Gocken and Mary Ann Dunson.

A Look At a Reporter's Daily Routine:

Get the News! Quick!

A news story may take many revisions, but rewriting after the second time works like a charm for Wanda.

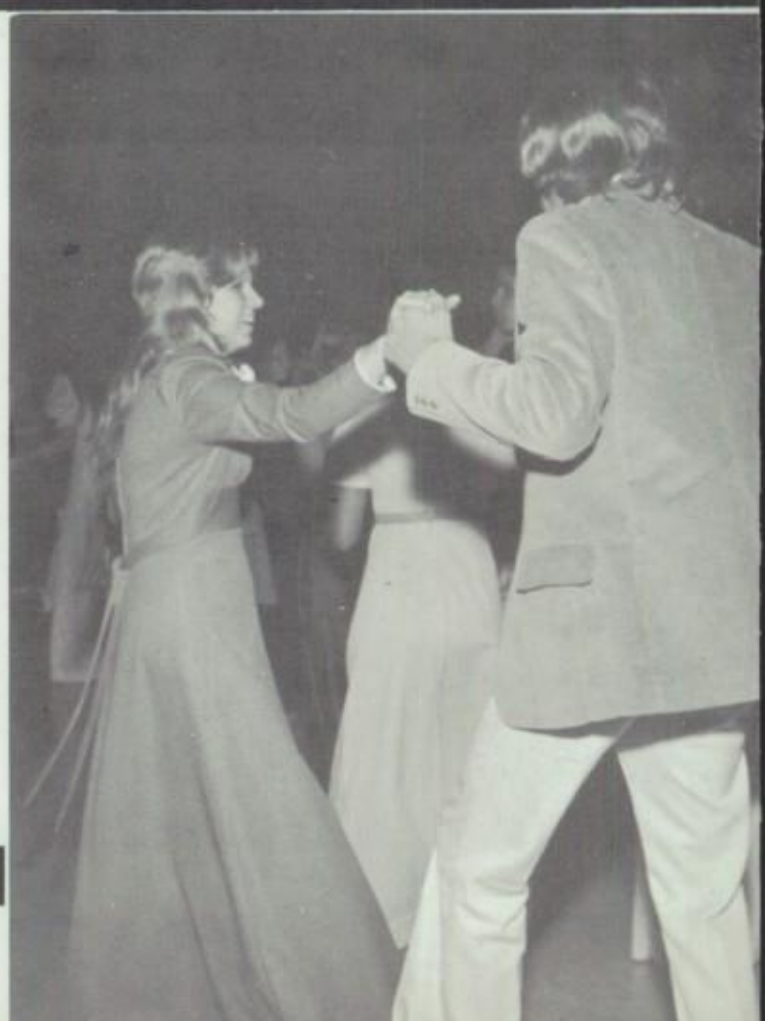
Father-Daughter Banquet In the Early Fall Month

Father and daughter Hollingsworth work at the "Father" game during the annual fall banquet. Aside from the potluck, the girls presented a light comedy for their dads starring the invincible duo Laurel and Hardy in "The Music Box."



In Action

Annual Valentine Formal

The annual Girls' League formal is one of the most important dances of the year besides the Prom. The entire school seems to be affected by "Mystical Moods of Love" with couples making elaborate preparations and the Girls' League Council making elaborate decorations. The dance is usually scheduled around the St. Valentine's month of February.

Girls' League Cabinet

The Girls' League Cabinet are girls who work on specific projects throughout the year. Sitting are (l-r) Gayle Byers, vice-president; Leslie Tuttle, president; Kathy Medlock, Senior Rep; Vickie Schueman; Elaine Parker, treasurer; Sharon Tuthill. Second row (l-r): Brenda Gasche, Junior Rep; Sheila Steele; Beth Burger, Frosh Rep; Peggy McKinny, secretary; Cindy Wann, Frosh Rep; Wanda Roeseler; Lisa Jensen, Soph Rep; Jamie Baldino, Junior Rep; Kim Neilson.

Boys' Forum: Keep On Truckin'

Boys' Forum had a slow start this year. Many of the boys were so involved with other activities and organizations that they had little opportunity to contribute to the efforts of their club. President John Ziegler is at the driver's seat while members push. Standing (l-r): Danny Garcia, Jim Coleman, Tom Price, Kurt Wampole, Don Winters. In the truck bin and of little help to John's plight are Randy Zacharius, Tom Holod, and Jerry Scott.

Active Athletes of the Letters Club

A new name for the former Lettermen's Club was needed this year because of varsity letters awarded to girls in various sports opened to them. Not all the girls are pictured here, but Christine does make an effort to represent the female counterpart. Members are sitting (l-r): Tom Price, John Ziegler, Christine Lopez, John Boring, Jerry Scott. Second row: Greg Chapman, Phil Garcia, Ben Borrego, Mick Rocha, Joe Zinicola, Chris Taylor, Randy Zacheras, Jim Coleman. Third row: Bill Swope, Mark Washburn, Tim Karas, Robert Boring, Kurt Wampole, Bill Marchio.

Future Farmers of America Succeeding In Many Ways . . . . . and Taking Pride In the School Grounds

Candi Ritter
FFA Sweetheart

The new greenhouse was built by FFA as one of their many projects. This year is the first time students can study horticulture with effectiveness with the ideal conditions for the plants which will be used for landscaping projects on campus.

FFA can be considered one of the most active clubs on campus. Their agenda is filled with activities and projects which have started before school opened in September and which extend beyond the June closing session. The fairs which the members attended include Farmers Fair, Los Angeles County, San Bernardino County, Indio Date Festival, Orange Show, plus many exhibition shows. The projects undertaken and directed by their adviser, Mr. Brumley, consist of raising sheep, landscaping the campus, building the greenhouse, and developing other projects for the future FFA members. If bringing a group of people together for work, enjoyment, and learning is considered ideal, then FFA has really taken the honors of combining honor and pride to vocational education.

FFA members sitting (l-r): Glen Arthur, Terry Norris, Cindy Johnson, Dana Kent, Janice Jayne, Curt Norris, Kathy Clifton, John Sawtelle. Third row: Pam Holtzclaw, Linda Jensen, Susie Jenkins, Lowanda Fuller, Susi Goff, Elizabeth Derry, Ron Estes, Steve Clemets, Chris Bryant, Janis Leigh, Debbie Cantwell, Bob May, Kim Cherry, Mr. Brumley, Herb Brake, Chuck Jenkins, Rick Bisher, Georgia Ayers, Beverly Maune, Cheryl Ware, Rick Huddleston, Sheri Armstrong, Carla Casey, Candi Ritter, Carolyn Sawtell.

Executive Branch of ASB Council

In It's First Year After Convention . . .

Page Leonard
President

After Convention '73, the new council is experiencing positive and negative changes as a student governing body. The council meet as a class with adviser Mr. Manzo and have been working on special priority projects. Little do students realize that the council provide funds for dances, the BRUIN yearbook, BRUIN PRESS newspaper, and sponsor Homecoming assemblies and lunch-time recreation. If you didn't notice, the blue and yellow painted gymnasium was a Christmas vacation project done by the council and student volunteers. Other projects on the year's agenda are the implementation of A and AA cards after the revision, student handbooks, and Frosh cheerleaders. The ASB Council rarely boast of their accomplishment, and we as students tend to take for granted many privileges and activities provided for us by the elected members.

Maestro David Andersen goes over a few bars with one of his stage band accompanists, Susan DeRosa.

Within the Fine Arts Department, the musical end of our campus emerges with the stage band, mixd chorus, and girls' chorus. The three groups are organized by one instructor, Mr. Anderson, who sees to it that each student contributes his share of vocal or instrumental ability to the musical force. Practice and patience are important elements within these groups when they perform for a scheduled performance throughout the year at such major events as the Fall PTA Open House, Christmas concert, Spring concert and various assemblies during school hours. Don't underestimate these students, it takes more than is expected to perform before the public, and perfection is what Mr. Anderson and the vocal and instrumental students are after.

An Open Letter From Amel

You probably imagine how wonderful it's for foreign students to go abroad, live with another family and meet new friends. It's a fantastic experience, 'cuz we've to learn everything from the beginning. For example, my first impression about Bloomington High was: "Wow, it's so big!" Most of the schools in Tunisia are buildings with three floors without parking lots, without lawns where we can read, lie and relax. I feel you are lucky to have the choice of your teachers, and of many subjects. I was used to eleven subjects during six days a week from 8:00 to 12:00 and from 2:30 until 5:30. I just find our school system so hard and so boring. We don't have so many activities at school there. I enjoy very much joining clubs, committees, assemblies, watching football games and the cheerleaders, and just having so much fun. Thank you very much for having me on your campus this year.

Amel

Everyone wants to "ham it up" regardless of which country one comes from and these foreign students who visited our campus happily pose with Amel and Fernando.

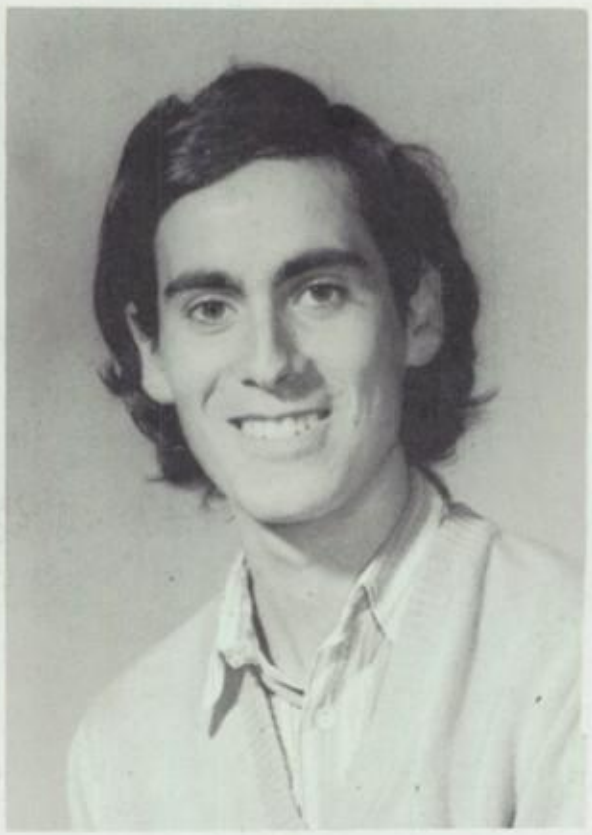
On the far left is Adriano Rodriquez, who was our Brazilian exchange student sponsored by the Rotary Club. Unfortunately Adriano's visit was short and his two-month visa ended soon.



An Open Letter From Fernando

I arrived in Bloomington August 9th, 1973. I find this area to be very similar in climate and geography to my city of Chillan, in Chile, so I feel at home here.

I was adopted by the Charles McGee family; Mom, Dad, three brothers and one sister who I love very much.

I like the school very much, although it is very different for me. I had no trouble adjusting to my new environment. Thanks to the friendliness of the students and teachers, I will never forget this very interesting experience. I wish to express my sincere thanks to Bloomington AFS club for making it possible for me to know another country and culture.

Senior Bank of America Award Winners

Four Bloomington seniors won in the Bank of America area scholarship competition. They were Berta Harris in Fine Arts, Lee Nelson in Liberal Arts, Bill Marchio in Science and Math, also Candi Ritter in Vocational Arts. The four mentioned had a chance for a $500.00 scholarship. They were selected by the faculty administration committee.

Candi Ritter won $200.00 in zone competition where she competed against students from Chaffey, Fontana, Colton, Upland, Chino, Covina, Corona, Ontario, and Rialto High Schools.

There were twelve named in specific studies as certificate winners. They were Irene Medina, Art; Yvonne Hicks, Drama; and Lonnie Muro, Music.

Robert Garcia was chosen for foreign language, Jill Bailey in English, Bonnie Laws in social studies, and also Tom Price in laboratory science.

Jerry Scott was named for mathematics, Elaine Brown in agriculture, Debbie McMullen in business, Peggy Dunham in home economics, and Pete Vandenburg for industrial and trades.

Runs, Kicks, Punts All Part of the

Potential is an ingredient which all athletes need and possess in order to initiate motivation during their involvement in the rough game of football.

This year's varsity football team had a very large quantity of potential along with spirit. Three men showed an excellent display of their potential by being named to the Second Team, All League this season. These athletes are Chris Taylor, who played defensive line and offensive center; Les Perryman, who played linebacker; and Rick Castro, who played defensive line. Rick is a returning varsity letterman, while Chris and Les will graduate this term.

The team rated fourth in the San Andreas League. They completed the season with 3 wins, 5 losses, and 1 tie. One of their toughest games was against competitor Norte Vista with a score of 35-34 in favor of the Braves. The score bounced back and forth throughout the entire game with tremendous

plays displayed by quarterback Micky Rocha and halfback Tom Fernandez. Another action-packed game was against Hemet, which is pictured above, where the Bruin potential was displayed. When the dust had cleared at halftime we had only a six-point lead, but at the end of the game our squad defeated the Bulldogs 10-0, showing how strong our defensive linemen can play.

The team had shown great strength at the beginning of the season, but as the season progressed we became ridden with casualties. With so many injuries it became difficult for the team to organize themselves as a whole. One element the team surely didn't lack was faith. Despite the numerous cases of the flu, a broken foot, broken arms and other injured men, it really takes a large quantity of faith.

The team was led by head coach Don Lee and his four assistants who specialized in their own areas. These four men are Paul Bennett, punting; Mike Chambers, offensive backs; John Green, defensive backs and offensive ends; and Roger Kowalski, defensive coordinator and line coach.

JV's, Setting 'em Up For the Kill

This year the Junior Varsity team had a hard-luck season. They lost 7 games and won 3 games, over Elsinore (16-6), Beaumont (44-0), and Yucaipa (12-6). In the Beaumont game, the team displayed perfect coordination between defensive and offensive squads. The final score proves that good plays were performed by the squad. One of them is called "35 die," in which the fullback, Darryl Everhard, ran for big yardage through the guard hole with Steve Sparks blocking.

The J.V.'s gained much experience that will be very valuable when they step up on the Varsity team next year.

Varsity team ready for the gun, to go after another 2-mile flat.

Pride and determination are only a few words that describe the 1973 Bloomington Cross-Country team. With all the help they had from Coach Stauffer and his assistant, Coach Burnett, and along with all the support of the cheerleaders and drill team and their own cooperation and high morale, the teams ended up as Varsity third, in the San Andreas League, the J.V.s fifth and the Frosh - Soph second.

This year's Varsity team were: top row (l-r): Mark Washburn, John Boring, Mark McGee, Lonnie Muro, Bill Swope. Bottom row: Greg Chapman, Robert Garcia, Phil Garcia.

Mark Washburn

The high morale and cooperation summed up to a tremendous season, in which the team really had a good time. The most outstanding performances of the season were by Mark Washburn, who is the finest distance runner in the history of BHS, and has broken all existing distance records since he was a Sophomore. Mark took second at League Finals with a 9:55 and also holds all school records for the Cross-Country run except Norte Vista. The team received tremendous help from Mark McGee (varsity) and Lonnie Muro (JV), who came out as Seniors for their first time and became two great runners. Tony Reeder broke the Freshman record with a time of 11:07.

This year the team took all the twenty fastest times in school history and found that nine were on the 1973 Cross-Country team. The athletes who received trophies were Mark Washburn, Most Valuable and Special Award; Mark McGee, Most Improved Varsity; Greg Chapman, Most Valuable JV; and Ron Harrell, Most Valuable Frosh-Soph.

The Varsity team was led by Mark Washburn, 9:24; John Boring, 10:31; and Greg Chapman, 10:32; with very outstanding performances by Ron Harrell, 10:42; and Mark McGee, 10:56. The team completed their season with five wins and three losses. Their toughest meet was against La Sierra with a score of 27-28 (lowest score wins). It was a very difficult meet in which all of "the men gave out 110%," according to Coach Burnett.

The JVs ended their season with three wins, five losses and one tie. The JVs were led by Lonnie Muro, 11:08; and Bill Swope, 11:28.

The Frosh-Soph ended the season with six wins and two losses. The team had a successful season in which scores were low during competition amongst other schools. The team was led by Tony Reeder, 11:07; Jay Parker, 11:16; and Brian Swope, 11:27.

Special girls join GAA who enjoy athletics for competition and developing their skills and coordination. A designated class period is set aside for girls who wish to be members of GAA and participate in various sports in preparation for competition against girls in schools within Riverside and San Bernardino counties. In the early fall, GAA modern dance troups took first in competition, and in the winter quarter, track and field team gave outstanding performances at Moreno Valley High School. B. J. Spencer won standing broadjump and placed third in the 50 yard dash. Pam Patke placed second in shotput and softball throw along with Mary Helen Campa coming in second in the 220 yard dash. Also during the winter quarter the archery team took first in competition. The girls are directed by Ms. Russell, Junior and Senior sponsor; and Ms. Webb, Frosh and Sophomore sponsor.

This year the last Play Day competition was held on the Hemet campus in which the girls competed in badminton and softball.

Triumph Is Achieved Not Only By Men, But By Women Too!

When a person thinks of high school sports, they immediately think of boys' swimming, tennis, football, or basketball. Well times are changing and so are people. More and more high school girls are creating and joining varsity athletic teams for females. So there is now a debate concerning equal funds for girls' athletic programs as well as boys'.

In any case Bloomington High's first girls' tennis team was formed this year by Miss Dawn Molumphy. While the boys practiced for football games and cross-country meets, the girls' tennis team practiced daily for their own league meets.

The captain of this year's tennis team was Charlene Rojas. Top singles players were Donette Wheat, Leslie Tuttle, and Robin Stevens. Top doubles players were Charlene Rojas–Jessie Rodriguez and Rhonda Stevens–Sharon Tuthill.

Trophies were awarded to Donette Wheat, Most Valuable Player. Donette was undefeated in league play and qualified for CIF play-offs. Next was Most Inspirational, Leslie Tuttle. She had great determination, and was always fired up with stamina and team spirit. Most Improved was awarded to Jessie Rodriguez for her great drive and determination. She showed a fantastic amount of improvement throughout the entire season.

All the girls on the team should be congratulated for their great work.

Tennis Team Smash Their Way To Victorious Moments

The 1974 tennis team started the season with a handicap—the team did not have experienced men. Most of them were novice to the team, but they possessed a lot of spirit and enthusiasm to play good tennis. This spirit was awarded with the victory over Cajon 18-10, and Norte Vista 19-11. Singles players in this year's season were Tom Price, Fernando Martinez, Scott Hoffman and Tim Peck. The doubles teams were John Howell - Bob Zurcher and Marty Bennett - Pierre Ingersoll. Charlie Baca and David Rosas were always ready to replace any players.

The JV team also had a hard luck season, but it didn't discourage them who were playing as tough as they could in order to get those important points.

Congratulations to Coach Green and both tennis teams for this year.

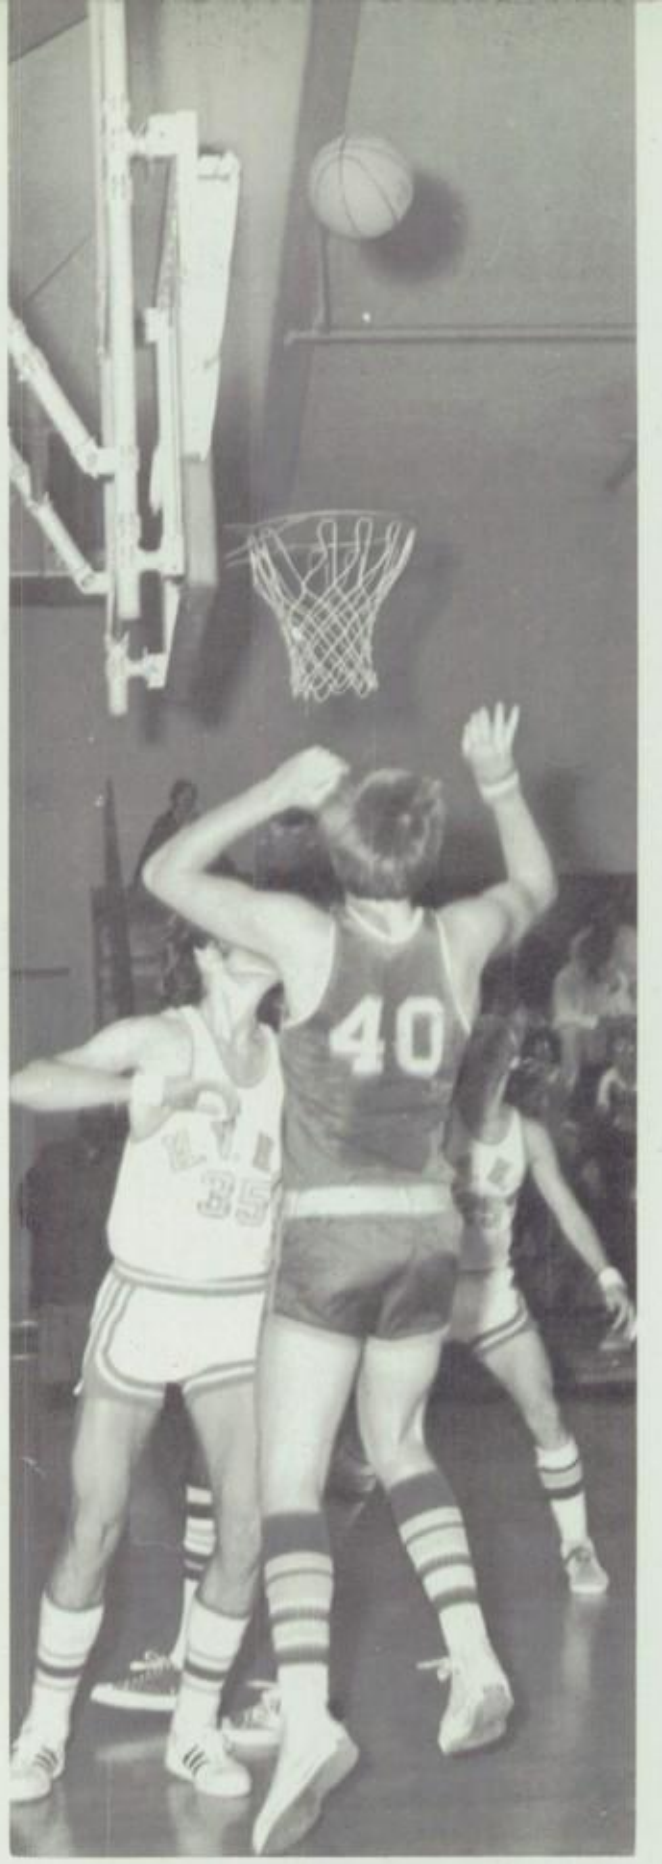
A Trying Season For Varsity Cagers During League Play . . .

It was a difficult tow for players and a disappointing season for fans in basketball this season. The eight-team San Andreas League proved to be challenging for the Bruin cagers, and pushing for baskets still left our men underdogs at the end of each league play. It was not until we met competitor La Sierra High School, did our team break a discouraging losing streak. Encouraged, possessed with positive morale, and hopeful for a final victory of the season, the team worked up sweat, but Yucaipa overscored us 82-53.

At times Bloomington would be in the lead, but by half-time the cagers were behind and out-numbered. Also at times our team would hear jeers from our opponent's side, but this didn't let them down. Very often we could hear our own crowds booing our Varsity team.

All we needed all along was a little spirit to boost up our team and give them a little morale. While Bloomington's cagers weren't as commendable as their fans had desired, there is always next year. But it's not just up to the team, our students have to give out a little spirit and pride, and not be afraid to say "That's my team." And if we all do a little, we're sure to have a Blomington team heading for a league title.



. . . . And a Season Finale With Triumph Over La Sierra

BHS BRUIN WRESTLING 1974

Day by day, Bruin wrestlers put out more, took more and at the end they got more. It took a lot of strength, stamina, and team work. Everyone had to pull his own weight to get the team through the year undefeated.

Many of the Coaches' dreams were fulfilled. We are undefeated in the season with the perfect score of 10-0. It puts us as the San Andreas League Champions. We had five CIF Prelim qualifiers, one of these five went on to the finals.

Other accomplishments for the Bruin Victors: third in the San Bernardino six-way, which is pretty good when you consider the team forfeited 18 points. We took 9th in the Rubidoux Christmas tournament out of 27 teams with three consolation championships. We took fourth at Victor Valley with two more championships.

Undefeated SAL Champs

The more exciting events of the season are defeating Hemet. Hemet was the team to beat this season because they took SAL Championship last year. We broke through with a score of 33-23.

Our next exciting match to gain a minimum tie for league title was with Yucaipa. We took it 46-20.

When we beat Cajon 34-24 it was all over. We had the Championships in our hands!

Throughout the season the closest match we had was a difference of 10 points.

Throughout the season Bruin wrestlers scored 441 team points to the opponents 185.

Varsity wrestlers for the season are 98, Don Scott; 109, Tim Maune; 115, Jerry Scott; 123, Stan McKenzie; 127, Jerry Garcia and Andy Karas; 135, Tony Ireland and John Ziegler; 141, Jim Colemn; 148, Mickey Rocha; 157, Steve Sparks; 168, Rick Castro; 178, Tim Karas; 194, Ron Franklin and heavy Darrell Rosenbrock.

Managers for the team are Gayle Byers, Jessie Rodriquez, and Steve Pennington.

The Junior Varsity Wrestling team finished second in league with a 5-1 record; they were 8-2 overall.

The JV's were led by Mark Everard and Andy Karas who both had perfect 10-0 dual match records. Harold Strauss also added many fine performances. The JV's first places were earned by Scott Barkas, Andy Karas, and Mark Everard. Harold Strauss finished second.

The JV team was a very young squad composed of mostly freshmen and they had a very promising year as JV's. They will be very capable of doing an excellent job next year on varsity. The team voted Mark Everard as "Most Outstanding," and Harold Strauss "Most Improved Wrestler."

Under the coaching of Mr. Weese the Boys' Swim Team practiced hard and put out their best to better their times and the team.

Even though the boys did not have a good season, they kept their team spirit and enthusiasm.

Standouts for the team were Dan Kalin, swimming the butterfly and freestyle, and Pete Gray, who swam the freestyle. Also there was Don Winters, who swims the breaststroke. The entire team tried hard and therefore all are standouts.

The girls' swim team attracted a good size turnout this year. Coached by newly appointed Mrs. Davidson, they dove off to a good season by winning their first meet against Redlands.

For the first time this year, the girls attended a swimming invitational at Cajon. Placing at this event were Jeanne Kalin who got a fifth in backstroke, and Karin Brunmier who got a first and a third in freestyle. The rest of the team really improved their times, and kept the team spirit going.

Smooth Swingers Hit At El Rivino

In quantity the '74 Golf Team was small, in quality very strong and competitive. This year there were three juniors, and three sophomores who made the Varsity Golf team facing very tough competition, but they managed to come through with several victories thanks to the advice of Coach Greene. With returning Lettermen for next year, prospects are hopeful. Experience, improvement are important elements, and the members of the '73-'74 team display such qualities. Bruin Golf team are Glenn Miller, Bill Zamores, Bruce Harjehausen, Frank Jimenez, PePe Acosta, Gigi Kokosky, and Dave Maruna.

Winners Never Quit . . . At Least Not On Lee's Team

Quitters never win and winners never quit. This may be a cliche to some, but to the varsity baseball team it's a motto to remember and to honor. With the good and the bad, this season has turned out to be a good one. Currently the varsity team holds a seasonal record of 7-5, with two more games left in this season (at the time of publication). The Bruins have a strong chance of going to CIF play-offs and a second place title in league finals. Mr. Lee is coach of the varsity team, and captains are Steve Cook and John Ziegler. Top hitters are John Ziegler with an average of .438 and Daniel Rodriguez, .370.

JV Play An Important Role In BHS Spirit and Sportsmanship

This year's JV Baseball team put forth a great effort. Although they won only four games they worked hard, had lots of spirit throughout the season, and learned to lose as well as win. The JV's learned to be alert, quick, and forceful, and with this knowledge and determination we at BHS are looking forward to a successful season next year.

Frosh Are Out To Prove They're Winners

The Frosh Baseball team has shown a lot of good spirit, activity, and sportsmanship in their season this year. Although they haven't won as many games as they had hoped to, they worked hard and played well and pulled together as a team and that is more important than winning.

One unique feature of this year's team was Linda Pancoast, their first baseman. She played as well as her teammates, and showed just as much nerve.

A nice slide by a North High opponent, but Bloomington's ball is faster and it's an easy out.

Bruins Snatch Another SAL Title:

Share Championship With the Cajon Cowboys

The 1974 Bruin Varsity track team completed their successful season with a 7-0 record. The only loss was to Cajon, with a close score of 56-64. It was a very tough meet, with all of the members giving all they had. The three most outstanding performers at Cajon were Jim Coleman with his best throw all season in the shot-put, 46'; Mark McGee in the 2-mile, with 11:02; and John Boring in the 440, with 51.7. The mile relay team highlighted the meet by winning the event with 3:30.2. The relay team consists of Steve Mermilloid, John Boring, Bill Marchio and Mark Washburn.

Most all of the Varsity team had an excellent season. They are Steve Mermilloid, pole-vault, 12'7"; Randy Zacharias-long jump, 20'4½"; Russell Pound-880 low hurdles, 20.3; Ron Harold-mile and 2-mile, 5:01 and 10:45; Greg Chapman-880, 2:01.2; and Mark McGee-mile and 2-mile, 5:14 and 10:54.

The most valuable members of the team were seniors Mark Washburn and John Boring. This year Mark became the most decorated Bruin in the history of BHS. He now has a total of 36 medals and 17 trophies. Mark has also set new school records in both the mile and the 2-mile, with times of 4:18.8 and 9:15.5. He not only holds the distance records here, but also a majority of the schools in the league. John Boring, the other senior, has put out more than his share of sweat and pain. He holds records in both the pole-vault, 13'3", and the 440, with 51.7. He also runs the 220, 22.7, and is on the mile relay team.

'Twas a Great Season For the Bruins

This year the varsity track team started their season by out-running three non-league schools—Banning, Rubidoux and Yucca Valley. After seeing what their powerful crew could produce, they continued their season by overpowering six out of seven league schools and by taking first place at both of their invitationals. The invitationals were sponsored by Bloomington, which was made up of twenty-two schools, and 29 Palms, which consisted of eleven. The season ended by taking third at league finals, under Moreno Valley and Cajon.

The season was highlighted by records set by Russell Pound in the 120 low hurdles, with 13.7; John Boring in the 440, with 51.1, and the pole vault, with 13′3″; Mark Washburn in the mile and 2-mile, with times of 4:18.8 and 9:15.5; and the mile relay team, which consisted of R. Garcia, R. Pound, B. Marchio and J. Boring, with a 3:29.9.

JV's Place League in a Brown Paper Bag and Win the JV League Title

The 1974 JV track team set a new pace for the JV's by capturing the title of SAL Champions. They ended their successful season as "King of the Hill," with a record of 7-0. The season was highlighted by many of the records set this year. They were set by Don Martin-880, with a time of 2:33.6; Rick Sandoval-440, with 54.8; Les Perryman-low hurdles, 21.0; and Ron Franklin- shot-put, 42'-9½". Both of the relay teams also set records, the 440 relay and mile relay, with times of 48.2 and 3:49.8.

Another fine performing athlete was Darryl Horn, who is on the Frosh-Soph team, but has performed as if he belonged to one of the JV team members. Darryl ran on the JV team twice during his great season, and will be part of it next season. Darryl has set the Frosh-Soph record for the 220, with a time of 24.0 and is anxiously waiting to be on the JV team next year.

The team is looking forward to another championship next season. Include the excellent coaching staff and the building of team strength and conditioning, they really have an excellent chance of keeping the championship crown a second time.

A Happy Ending: Novice Trakers Take Second In SAL

It was a great season for this year's Frosh-Soph division. With the great depth and athletic ability of the team, they ended the season with a 5-2 record and took second in the SAL. During the season there were four records set—they are: Jay Parker, in the mile, with a time of 5:10; Andy Karas in the 2-mile, with 11:42; Daryll Horn in the 220, with 24.0; and Nick Howard, Brian Swope, Dave Parada and Ron Harrell in the mile relay team, with a time of 3:48.5. The relay team really highlighted the season by winning their event at almost all of their meets.

With all the improved runners and field event men from this year, the team will have many winning seasons to come.

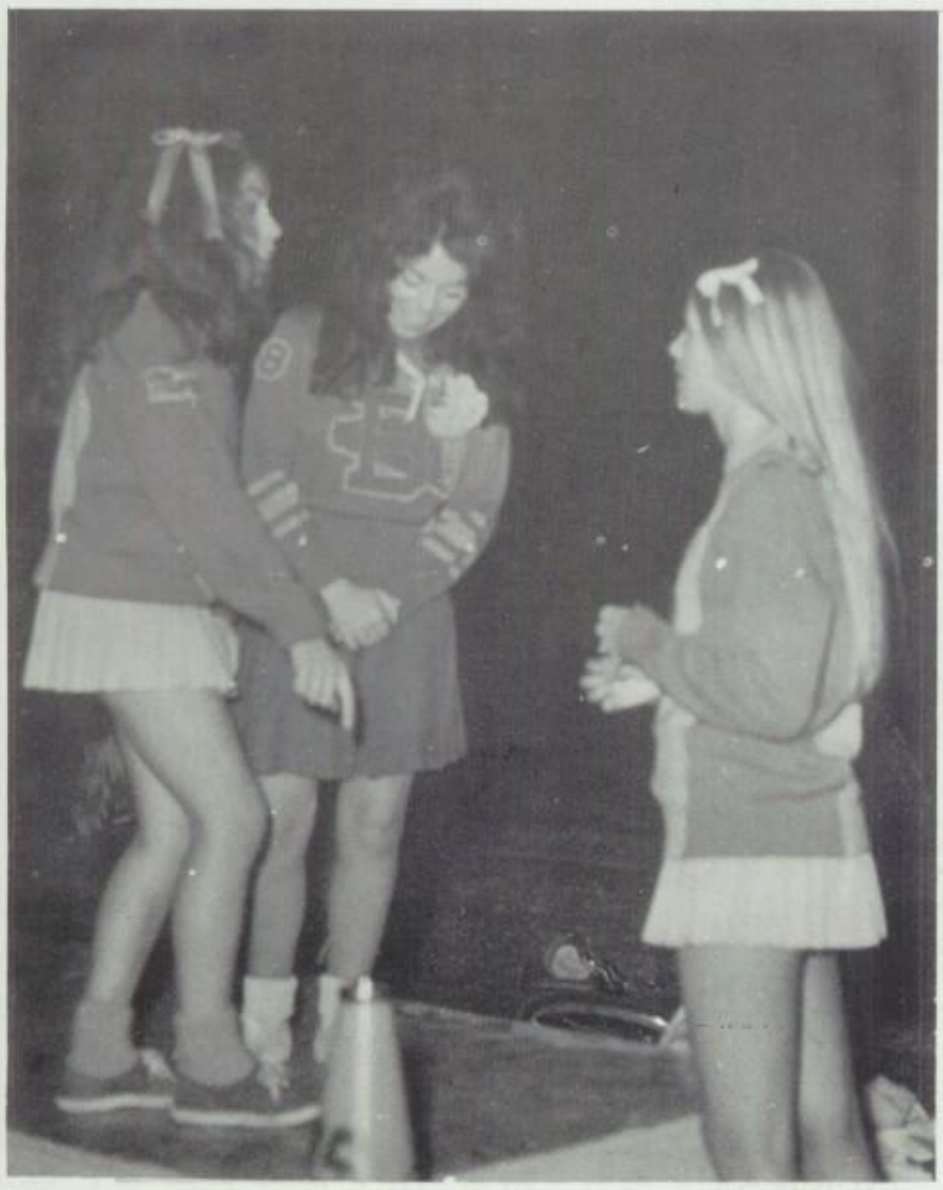
Homecoming Brings Out The Spirited

Bruins During "Bruin Magic" Week

ANTICIPATION



A Magical, Mystical Eve

HONOR

The 1974 Bruin Homecoming theme, "Bruin Magic," was a maze of fiery spirit and enthusiasm. The magic was brought out through and through when again the Freshmen took first place in the float contest.

Other festivities for the week included: *Monday*—a water balloon fight with Freshmen taking first. *Tuesday* — shoe - jumble race with Seniors taking first. *Wednesday*—bat race with Seniors taking first. *Thursday* —four-legged relay race with Juniors taking first. *Friday* was the assembly, game and dance.

Even with all the spirit Bruin football players possessed, the game was a rough testing ground for the gridiron men.

Last, but not least, were the candidates for queen. 1974's Homecoming queen was Becky Sowell. The Senior princess was Penny Pruden. The Junior princess was Paula Sowell. The Sophomore princess was Mandy Varona, and Frosh princess was Robin Delgado.

Homecoming comes but once a year for both alumni and students, and the magical element of this special event ends too soon.

Candi Ritter, 1974 Girls' League Queen

"Mystical Moods of Love"

Girls' League February Formal Affair

"Mystical Moods of Love" proved to be a very appropriate theme for this year's Girls' League dance. The dance was held in the school cafeteria with music provided by a local rock band, "This Side Up."

Candi Ritter, nominated by the Future Farmers of America, was chosen to be the 1974 Girls' League Queen. Others nominated for the title were Amel Mokkadem, AFS; Jackie Medina, Boys' Forum; Kim Nielsen, Tennis; Diane Colter, Drill Team; Peggy Dunham, GAA; Yvonne Hicks, Drama; Cindi Hammond, Home Economics; Robin Stevens, Letters; Melanie Shoaff, CSF; Francine Parker, Usherettes; and Jo Anne Lopez, Mecha.

A Smooth Run

At Convention '74

In the Spring . . . Do Your Thing At the Fling ! ! !

It's spring, and around April exciting events happen. The Junior-Senior Prom is only weeks away, Junior-Senior week is planned, but more important Convention '74 is underway to elect new officers to represent the student body. It was a smoothly organized convention this year, and participants were anxious to involve all students in the activities. The entire week culminates to a big celebration dance traditionally called the Fringe and Garter Fling. Big and pleasant surprises and sometimes shocked people were seen during the announcement of the incoming cheerleaders, songleaders, ASB Candidates, and the Spring Sports Queen. It was a long and tedious job, and this year it took most of the hour at the dance.

First to be announced were the freshmen girls who tried for "B" Yell leaders. They, like all freshmen, were excited, giggling, and ecstatic after they were announced as next year's "B" pep squad. Those six are Sharlene King, Terri Tubbs, Cindy Wann, Beth Berger, Valarie Kelly, and Shirley Havrilo.

The new Songleaders are Diane Colter, Christine Lopez, Debbie Haskins, Cheryl Ware, Ida Winters, Renee Moore, Tracy Keyes, and Karin Brunmier.

Next were Varsity Yell leaders who are Debbie Mermilloid, Clara Quezada, Yvonne Johnson, Paula Sowell, Paula Pruden, Lee Ann Squire, Debbie Osenga, and Jackie Medina.

After more music the '74-75 ASB officers were announced. They are President, Robin Stevens; Vice President, Mike Snellings; Secretary, Carolyn Osenga; Treasurer, Jerry Henthorn; Corresponding Secretary, Paula Pruden; Activity Coordinator, Bob Zurcher; Publicity Coordinator, Leslie Curry. Last, but not least, was the Spring Sports Queen, Sheree Kelley.

Juniors and Seniors Compete In Different Activities During Traditional Junior-Senior Week

This year Junior-Senior week was a big success. To start things off on Monday, a terrific game of volleyball was played in which the juniors made a fantastic comeback to rip the seniors 15-13. Tuesday was a splashing game of "Tug-A-War" in which the seniors managed to show their spirit in a thing called brute force. Wednesday was a game of basketball in which the seniors won. Thursday was a colorful day with the seniors dressing up as anything they wanted. The judging took place during lunch with Candi Ritter walking away with first as "Mary Had A Little 'Goat'?" and Marie Lopez taking second dressed up as "Winnie The Pooh." Another good costume was worn by Herb Brake who was dressed up as a McDonald's "Big Mac" hamburger. After the judging we had an exciting game of warball, with the senior boys running away with the game.

Annette Jacobs poses prettily with pet.

Kim Ramos shows grace while splashing into the mud hole.

"Ships Ahoy, Sandy!"

Junior boys ask, "Is it true, mud is good for the complexion?"

Senior dress-up winners l-r: first, Candi Ritter; second, Marie Lopez; and third, Monica Carlos.

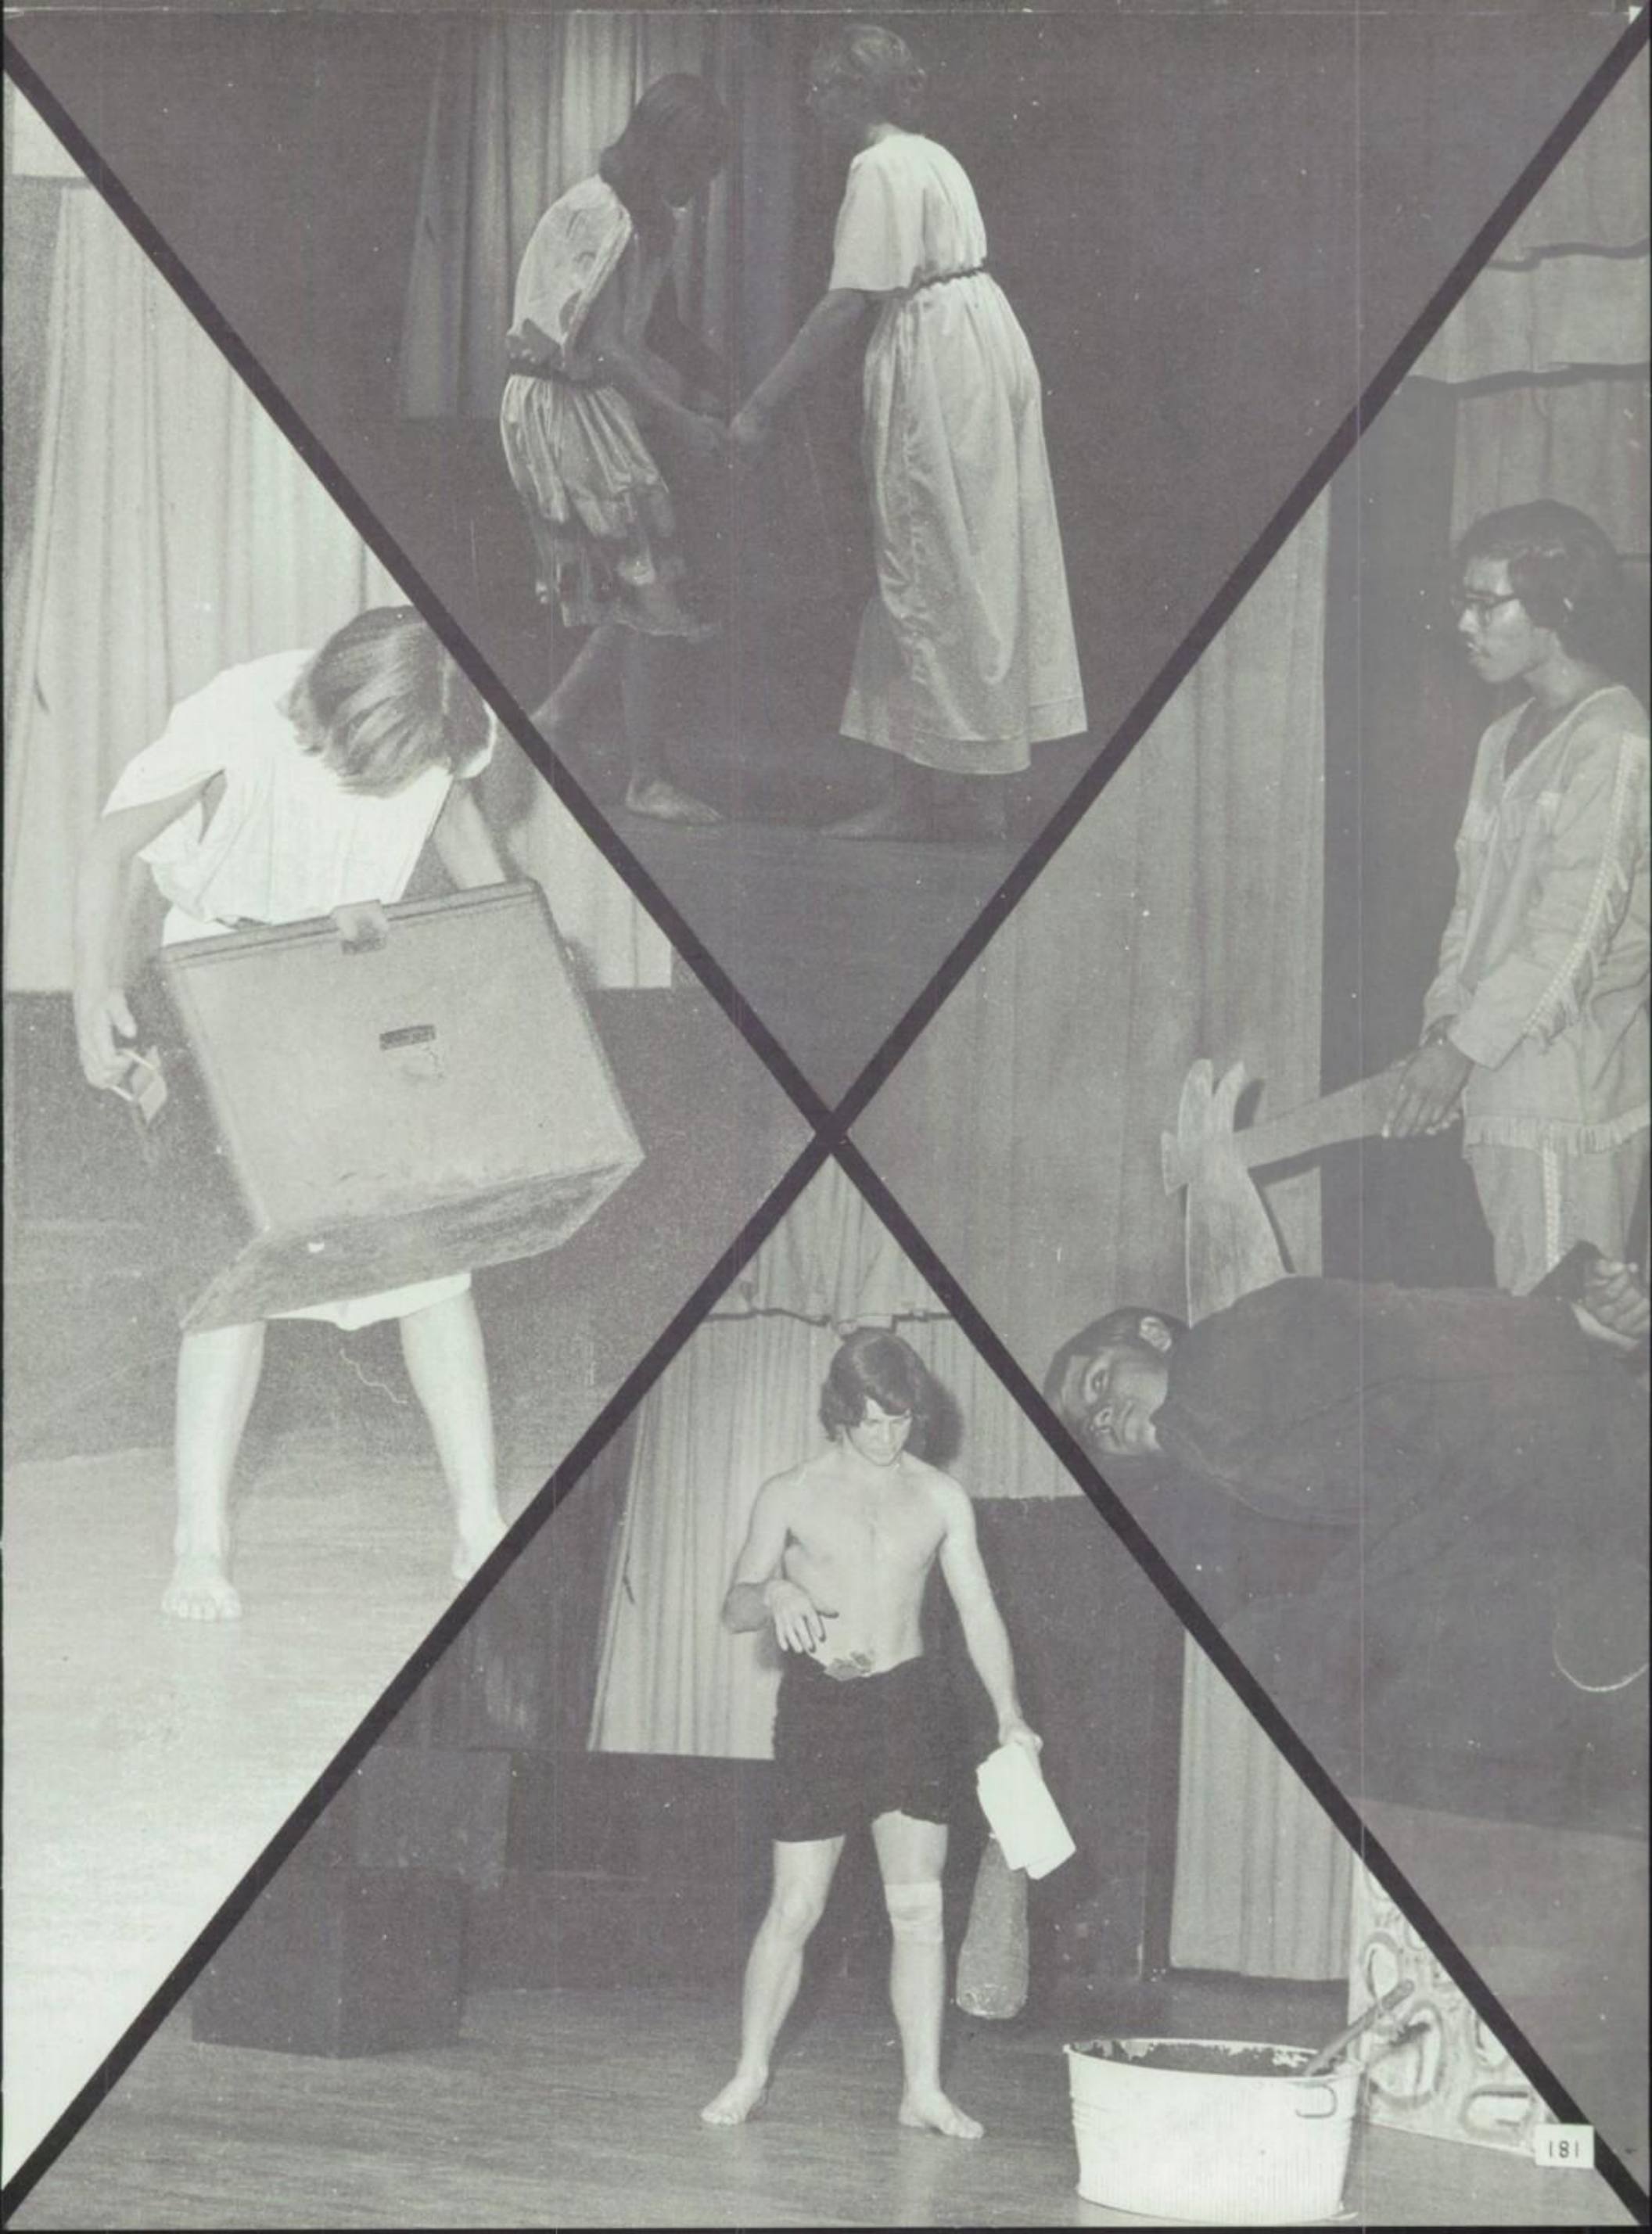
Review is Practiced Day by Day

This year the Drama Club and Thespians put on a review called "Trouble Spelled with a W." With skits, songs and dances it showed and told how women get blamed for all the trouble that men cause. Master of Ceremonies was Dena Norvell, who is also Drama Club President. The review is the season opening for the Performing Arts classes each fall, and Mrs. Williams, Drama coach, sees that each student displays his or her talents to the fullest.

Ron and Bruce chant a tune at "Trouble Spelled with a W," to open the Performing Arts first play.

The finale of the flapper fling is performed by Drama Review members.



"Androcles and

With the support of the ASB, the Drama Club and Thespians put on the production "Androcles and the Lion" written by George B. Shaw. It is a two-act play which takes place in the first century A.D. It is a story about a Roman slave, Androcles, played by Robert Garcia, who while walking through the forest finds a lion, played by Melodie Anderson. The lion had a thorn in its paw and Androcles removes it.

Years later the two meet again, only this time in the arena, face to face, whereupon the lion recognizes the unselfish Androcles and refrains from attacking him.

Other members of the cast are: Lavina, portrayed by Dena Norvell, who is also a Roman slave and in love with the captain of the Roman Army, but will not betray her religion to marry him. The captain is played by Les Perryman. Ferovious, played by Rick Moore, is a Roman slave who wins the favor of Caesar by winning his battle against fate in the arena. Caesar, played by Fred Anderson, portrays a symbol of an absolute ruler who is corrupted by his semi-divinity and his wife, the empress who is played by Barbie Hicks.

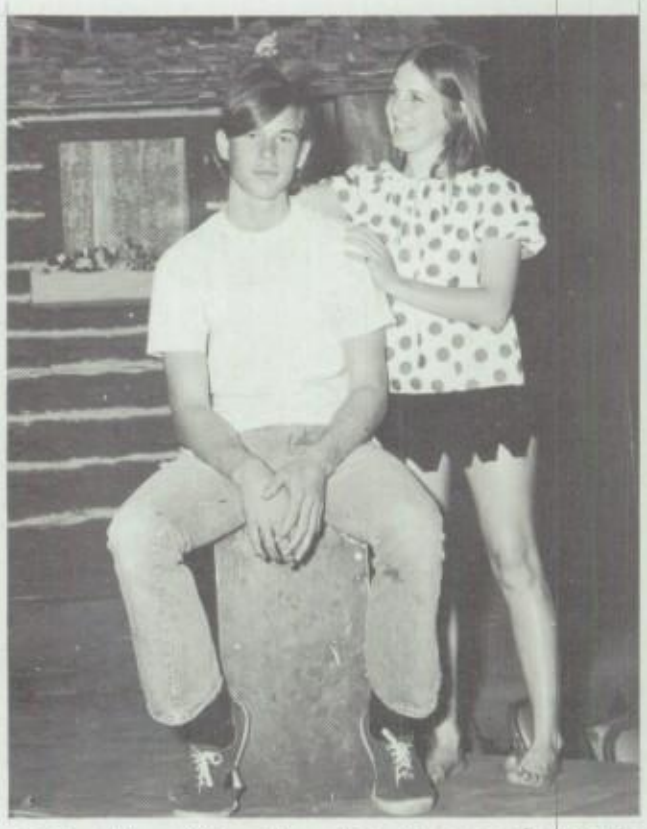
Li'l Abner Hits the

This year's musical production, staged by the Drama Club and Thespians, and directed by Mrs. Billie Williams and Mr. Dave Anderson, was "Li'l Abner." The story takes place in an old hillbilly town where almost everything and anything imaginable can happen. There is a secret potion, a race, and a romance all involved in the story. The secret potion was discovered which could change a weakling into a strongman. There was a long-time romance between Daisy Mae and Li'l Abner and a race that seemed to make everyone a lot happier in the end which included a wedding between Daisy Mae and Li'l Abner.

Mammy Yokum (Valerie Powell) always manages to keep Pappy Yokum (Fred Anderson) in stitches.

Mammy Yokum (Valerie Powell) is shocked when she hears that there will be no Sadie Hawkins Day.



Daisy Mae (Sheri Landis) tries to charm the man of her dreams, Li'l Abner (Mike Pochatko).

Li'l Abner makes a hit with the Dogpatchers.

Everyone seems ready to go on Sadie Hawkins Day.

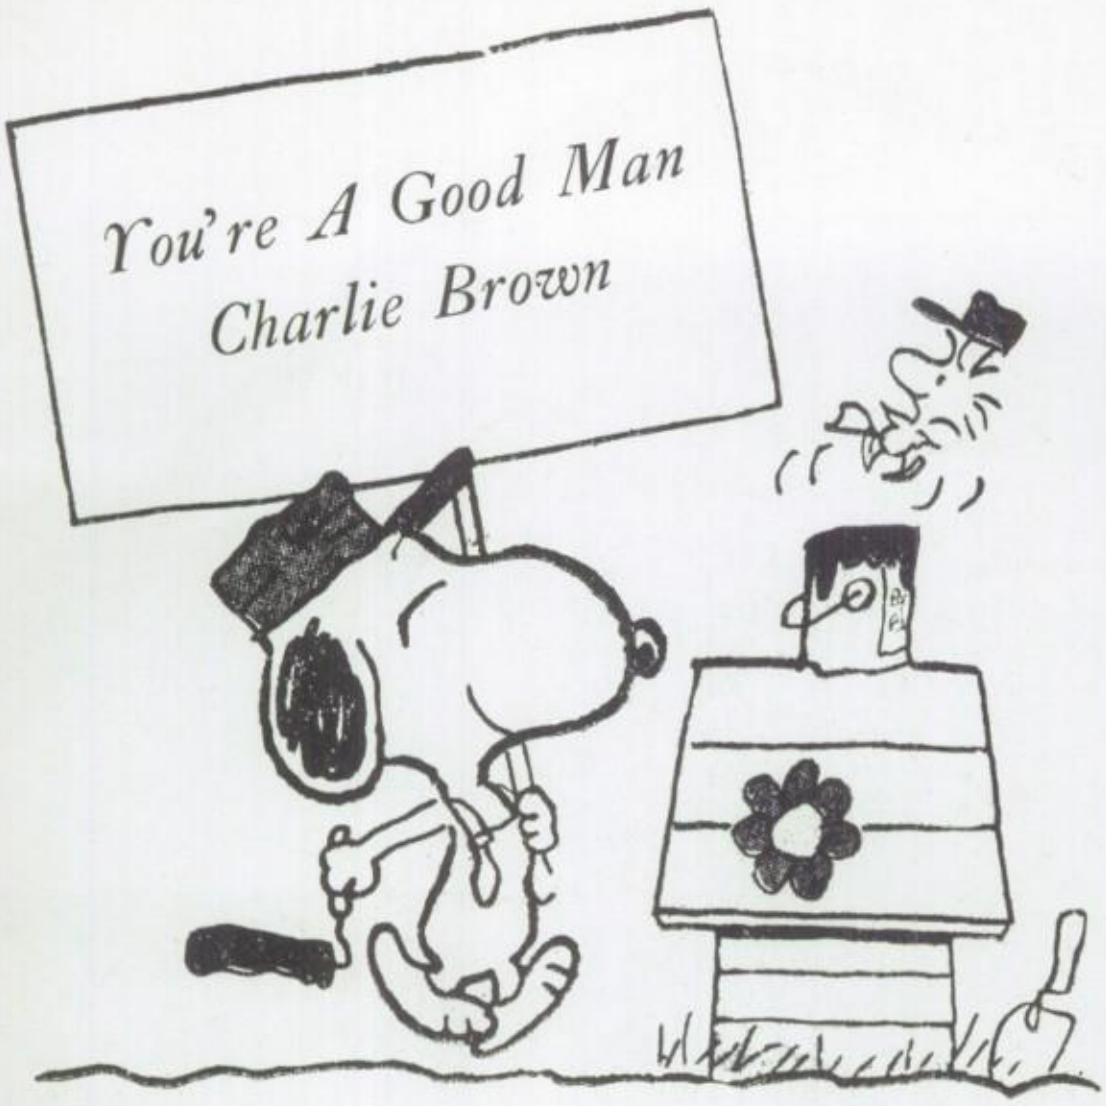
General Bullmoose (Mitch Iddings) brings in Evil - Eye Fleagle (Bruce Perryman) to do some dirty work for him along with Appassionata Von Climax (Barbie Hicks).

Dogpatcher (Melodie Anderson) has her hands full on Sadie Hawkins Day.

Another Dogpatcher (Donagene Eilander) has made her catch.

Things work out just right for Daisy Mae and Li'l Abner, and everyone lives happily ever after.



A special presentation was performed this spring utilizing members of the Drama Club and Thespians under the direction of Mrs. Billie Williams. A theatre-in-the-round set was the stage for "You're a Good Man, Charlie Brown!"

Performers for "Charlie Brown" were the invincible Charlie Brown . . . Ron Neilsen; the zany, courageous Snoopy . . . Mike Pochatko; the fussbudget Lucy . . . Margie Brtonti; the security-blanketed Linus . . . Stanley Briant; the child-talent Schroeder . . . Les Perryman; and the future woman liberator Peppermint Patty . . . Lani Forrester.

Day By Day Life Goes On . . . . .

Supposedly a farewell is a good-bye, good luck lamentation; however, mine is the opposite. It is going to say hello . . .

Hello to the people I have not met, the people I will not ever meet, and the people I am going to meet. Hello to the people whom I have vaguely known and have judged from their exterior qualities for I had very little opportunity to discover the inner quality of each individual. Through people I have learned a lot. I have been influenced by many people, and somewhere along the way I hope that I too have influenced someone.

One of my goals in life is to learn how to get along with people. To discover the way people are deep inside, to explore the down-to-earth qualities of each individual. To listen to their feelings, share our thoughts and communicate our ideals. That way I can further my education.

Day by day my life is filled with thoughts of the future.

I want to be sure that I do not pass opportunities and that opportunities do not bypass me.

I do not want to change my lifestyle for any particular person. I want to carve my own path through life and only follow in another if I lose my way, and need to regain guidance.

Should someone who is truly down-to-earth and can communicate at the same slow pace and travel on the same path as mine, then I will have discovered a companion.

I imagine changes are destined to come, and although I would have more fun watching them than making them, there comes the time when all of us must change, and make commitments in life.

I feel that you make your life, and YOU must be the one to make it or break it.

Gayle Byers

We've all gained something different from the past four years, but I'll always remember the accomplishments I made, along with my close friends. Perhaps most of all, putting together the 1974 yearbook. It was a lot of work with pressures and differences of opinion. All through the process of producing the annual I learned one must give a little more on your part in order to get it done. It's a book filled with memories of the past. Some will look back and wish to relive the days over again. After all, it is all there is to life for them. They'll be lost once they're out. For others, they just don't seem to care. High school was so boring, they felt nothing came out of the last years. Supposedly, the last year of one's life in high school should be memorable, a nostalgic time, a period of gaining maturity. It's a time to widen one's horizon and open up our minds to new ideas and ideals. It really isn't the end, it's the beginning. High school is only one of the many paths along the way of life. As we live each day to its fullest extent, we learn to value the days that have passed. For we've learned and gained so much. It's a part of growing . . . releasing oneself from the past . . . something to benefit from, not to remain and live in dreams. We look toward the future. We want to do many things, go different places, and meet other people. We have to take advantage of what we know today and use it for tomorrow. If we do this, I'm sure it will help us all to live our lives a little better . . . Day by Day.

Terrie Hamada
